

An Easy Way to Get Started With Improvisation

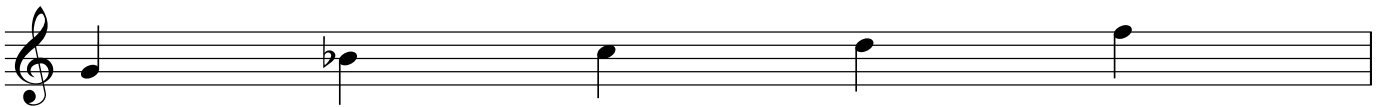

Thomas SAX

C instruments

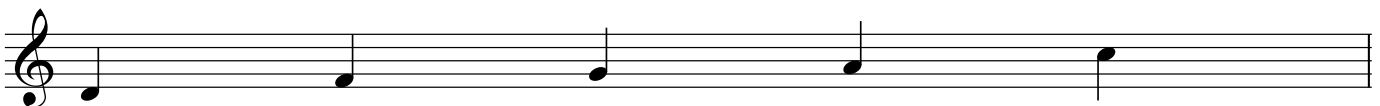

F minor pentatonic scale

Bb instruments

G minor pentatonic scale

Eb instruments

D minor pentatonic scale

- Step 1:** Play long notes, 1 at a time
- Step 2:** Play pairs of long notes
- Step 3:** Improvise with the 5 notes
- Step 4:** Improvise with the notes throughout the whole range of your instrument

Tips:

- try combinations of shorter and longer notes
- try special effects like trills, overtones etc.
- try to play question and answer phrases
